- (2) Unit 15 is intentionally omitted.
- (3) With respect to Units 1 through 14 (the "Personal Maintenance District) inclusive, the following provisions shall apply:

3.1 Definitions

(E) "Condominium Bylaws" means Exhibit A - Amended hereto, being the Bylaws setting forth the substantive rights and obligations of the Co-owners and required by Section 3(8) of the Act to be recorded as part of the Master Deed. The Bylaws shall also constitute the corporate bylaws of the Association as provided for under the Michigan Nonprofit Corporation Act.

(J) "Condominium Unit" or "Unit" means that portion of the condominium project designated and intended for separate ownership and use, as described in Exhibit B attached hereto. All structures and improvements now or hereafter located within the boundaries of a Unit shall be owned in their entirety by the Co-Owner of the Unit within which they are located and shall not, unless otherwise expressly provided in the Condominium Documents, constituted Common Elements.

5.1 Common Elements

The Common Elements of this component of the condominium Project, as described in Exhibit B attached hereto, and the respective responsibilities for maintenance, decoration, repair and replacement thereof are as follows:

Section 1. General Common Elements. The General Common Elements are:

- (a) **Land.** The land described in Article II hereof and excluding the portion of the land described in Article VI, Section I below and in the Condominium Subdivision Plan as constituting the Condominium Units.
- (b) **Electrical.** The electrical transmission mains throughout the Project, up to the point of lateral connection for Unit service, together with common lighting for the Project, if any is installed.

- (c) **Telephone.** The telephone system throughout the Project up to the point of lateral connection for Unit service.
- (d) **Gas.** The gas mains throughout the Project up to the point of lateral connection for Unit service.
- (e) **Water.** The water mains throughout the Project up to the point of lateral connection for Unit service.
- (f) **Sanitary Sewer.** The sanitary sewer mains throughout the Project up to the point of lateral connection for Unit service.
- (g) **Storm Sewers.** Any storm sewer system which may ultimately be installed in the Condominium and the easements within which the same are located.
- (h) **Telecommunications.** The telecommunications system, if and when it may be installed, up to the point of lateral connection for Unit service.
- (i) **Roads.** All internal roads shown on Exhibit B hereto as General Common Elements.
- (j) **Other.** Such other elements of the Project not herein designated as General or Limited Common Elements, if any, which are not enclosed within the boundaries of a Unit, and which are intended for common use or are necessary to the existence, upkeep and safety of the Project.

Section 2. Responsibilities. The respective responsibilities for the maintenance, decoration, repair and replacement of the Common Elements are as follows:

- (a) **Co-owner Responsibilities.**
 - (i) **Units.** The responsibility for and the costs of maintenance, decoration, repair and replacement of each Unit (including the dwelling and any improvements located thereon) shall be borne by the Co-owner of such Unit; provided, however, that the exterior appearance of such Units, to the extent visible from any other Unit or Common Element on the Project, shall subject at all times to the approval of the Association based on reasonable aesthetic and maintenance standards prescribed by the Association in duly adopted rules and regulations. Each Co-owner shall be responsible for the landscaping and continued maintenance of any area located between Unit and paved service road.
 - (ii) **Utility Services.** All costs of water, sanitary sewer, electricity, natural gas, cable television, telephone, (if any) and any other utility services shall be borne by the Co-owner of the Unit to which such services are furnished. All utility laterals and leads shall be maintained, repaired and replaced at the expense of the Co-owner-whose Unit they service, except to the extent that such expenses are borne by a utility company or a public authority and the Association shall have no responsibility therefore.
- (b) **Association Responsibilities.** The Costs of maintenance, repair and replacement of all General Common Elements shall be borne by the Association, subject to any provisions of

the Master Declaration described in Article X hereof and Bylaws expressly to the contrary. The Association shall not be responsible for performing any maintenance, any repair or replacement with respect to residences and their appurtenances located within the Condominium Units.

Section 3. Utility Systems. Some or all of the utility lines, systems (including mains and service leads) and equipment and the telecommunications system, if and when constructed, described above may be owned by the local public authority or by the company that is providing the pertinent service. Accordingly, such utility lines, systems and equipment, and the telecommunications system, if and when constructed, shall be General Common Elements only to the extent of the Co-owners' interest therein, if any, and Developer makes no warranty whatever with respect to the nature or extent of such interest, if any. The extent of the Developer's and Association's responsibility will be to see to it that telephone, electric, water, sanitary sewer and natural gas mains (but not cable television transmission lines) are installed within reasonable proximity to, but not within, the Units. Each Co-owner will be entirely responsible for arranging for and paying all costs in connection with extension of such utilities by laterals from the mains to any structures and fixtures located within the Units.

Section 4. Use of Units and Common Elements. No Co-owner shall use his Unit or the Common Elements in any manner inconsistent with the purposes of the Project or in any manner which will interfere with or impair the rights of any other Co-owner in the use and enjoyment of his Unit or the Common Elements.

6.1 Description: Each unit shall consist of the land located within the unit boundaries as shown on Exhibit B-Amended and delineated with heavy outlines together with all appurtenances thereto.

6.2. Percentage of Value:

Section 2. Percentage of Value. The percentages of value were computed on the basis of comparative characteristics of the Units and concluding that there are material differences among them insofar as the allocation of the Percentages of Value is concerned. The total value of the Project is precisely 100%. Based upon the allocable expenses of maintenance and the differences in maintenance, repairs and replacement relative to Units 1 through 14, inclusive, the method or formula used in determining a different Percentage of value with respect to each of the Units 1 through 14, as opposed to units 16 through 167 is as follows:

Units 1 -14	<u>2.4391%</u> of annual budget (0.17422% per unit x 14 units)
Units 16 -167	<u>97.5609%</u> of annual budget (0.64185% per unit x 152 units)
TOTAL:	<u>100%</u>

Above allocation does not include dues for Central Park Master Association.

The percentage of value assigned to each Unit shall be determinative of each Co-owner's respective share of the Common Elements of the Condominium Project, the proportionate share of each respective Co-owner in the proceeds and expenses of the administration.

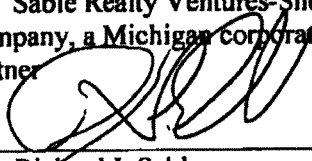

Notwithstanding the differences in percentage of value, each co-owner shall have an equal vote in the association of co-owners.

Reaffirmation of Master Deed. To the extent that it is not inconsistent with this First Amendment to Master Deed, the Master Deed is hereby reaffirmed.

**EXHIBIT A
FIRST AMENDED
CONDOMINIUM BYLAWS
OF
MANORS AT CENTRAL PARK**

**ARTICLE I
THE CONDOMINIUM**

Section 1. Organization. Manors at Central Park, a residential condominium located in Shelby Township, Macomb County, Michigan (the "Condominium"), shall be administered by an association of co-owners (the "Association") which shall be organized as a non-profit corporation under the laws of the State of Michigan. The Association will be responsible for the management, maintenance, operation and administration of the common elements, easements and, generally the affairs of the Condominium in accordance with the Master Deed, these Bylaws, the Articles of Incorporation, Bylaws, Rules and Regulations of the Association, and the laws of the State of Michigan.

Section 2. Compliance. All present and future co-owners (who shall be "members" of the Association as provided in Article II, Section 1, below, the terms "member", "owner" and "co-owner" are used interchangeably herein), mortgagees, tenants and all other persons who may in any manner use, enter upon or acquire any interest in the Condominium Premises, or any Condominium unit, shall be subject to and comply with the provisions of the Act, the Master Deed, these Condominium Bylaws, and the Articles of Incorporation, Bylaws, Rules and Regulations of the Association including, without limitation, any provision thereof pertaining to the use and operation of the Condominium Premises and the Condominium. The acceptance of a deed or conveyance, the taking of a mortgage, the execution of a lease, the act of occupying a unit or presence in the Condominium shall constitute an acceptance of the provisions of these documents and an agreement to comply therewith.

Section 3. Purpose of Bylaws. These Bylaws govern the general operation, maintenance, administration, use and occupancy of the Condominium, and all such activities shall be performed in accordance with the provisions hereof. These by-laws, except for the Addendum which is attached hereto, are merely a restatement of the By-laws attached as Exhibit A to the Master Deed recorded October 30, 2003.

**ARTICLE II
MEMBERSHIP AND VOTING**

Section 1. Membership. Each co-owner of a Condominium unit, present and future, shall be a member of the Association during the term of such ownership, and no other person or entity shall be entitled to membership. Neither Association membership nor the share of a member in the Association funds and assets shall be assigned, pledged or transferred in any manner, except as an appurtenance to a Condominium unit, and any attempted assignment, pledge or transfer in violation of this provision shall be wholly void.

Section 2. Voting Rights. Except as limited in the Master Deed and in these Bylaws, the members owning each unit shall collectively be entitled to one vote. In the event that an owner or group of co-owners shall be the owner of more than one unit, they shall have one vote for each unit owned when voting by number, and the sum of the values assigned to each unit owned when voting by value.

Section 3. Persons Entitled to Vote. If one person owns a unit, he shall establish his membership in the Association and his right to vote by presenting evidence of his ownership. If more than one person owns a unit, or the unit is leased, all of the record owners of the unit shall sign and file with the Secretary of the Association a certificate designating the person entitled to exercise the unit's membership in the Association, to cast the vote for the unit and to receive all notices and other communications from the Association. Such certificate shall state the name and address of the individual representative designated, the number or numbers of the unit or units owned, the name and address of the person or persons, firm, corporation, partnership, association, trust or other legal entity who is the co-owner thereof, and shall be signed and dated by all co-owners of record. All certificates shall be valid until revoked, until superseded by a subsequent

certificate, or until a change occurs in the record ownership of the unit concerned. The Developer shall, at any meeting, be entitled to cast a vote on behalf of each unit he owns without submitting any proof of ownership.

Section 4. Method of Voting. Votes on a specific issue may be cast in person. In addition, any person entitled to vote at any meeting may also appear and vote via telecommunications equipment, as provided by Article II, Section 6 of the Association Bylaws, or appear and vote (either specifically on an issue or by the general designation of a person to cast a vote) by written proxy. Proxies may be made by any person entitled to vote. They shall be valid only for the particular meeting designated, and any adjournment thereof, and must be filed with the Association before the appointed time of the meeting.

Section 5. Majority. At any meeting of the members at which a quorum is present, fifty-one percent (51%) of the members voting, whether in person, by telecommunications or by proxy, on any particular matter, shall constitute a majority for the approval of such matter, except as otherwise required herein, by the Master Deed or by law

ARTICLE III **MEETINGS AND QUORUM**

Section 1. First Meeting of Members. The first meeting of the members of the Association may be convened only by the Board of Directors and may be called at any time upon ten (10) days' written notice to all members. In no event, however, shall the first meeting be held later than: (a) one hundred twenty (120) days after legal or equitable title to twenty-five (25%) percent of the Condominium units have been conveyed to non-Developer co-owners; or (b) fifty-four (54) months after the first conveyance of legal or equitable title to a Condominium unit to a non-Developer co-owner, whichever first occurs. The Board of Directors may call meeting of members of the Association for information or other appropriate purposes prior to the first meeting of members, but no such meeting shall be construed as the first meeting of members.

Section 2. Advisory Committee. The Board of Directors shall establish an Advisory Committee of non-Developer members upon the passage of: (a) one hundred twenty (120) days after legal or equitable title to one-third (1/3) of the Condominium units that may be created have been conveyed to non-Developer co-owners; or (b) one year after the first conveyance of legal or equitable title to a Condominium unit to a non-Developer co-owner, whichever first occurs. The Advisory Committee shall meet with the Board of Directors to facilitate communication with the non-Developer members and to aid in transferring control from the Developer to non-Developer members. The Advisory Committee shall be composed of not less than one (1) nor more than three (3) non-Developer members, who shall be appointed by the Board of Directors in any manner it selects, and who shall serve at the pleasure of the Board of Directors. The Advisory Committee shall automatically dissolve after a majority of the Board of Directors is comprised of non-Developer co-owners. The Advisory Committee shall meet at least semi-annually with the Board of Directors. Reasonable notice of such meetings shall be provided to all members of the Committee, and such meetings may be open or closed, in the discretion of the Board of Directors

Section 3. Annual Meetings of Members. Following the first meeting of members and in addition to subsequent meetings called for the purpose of electing directors as provided in Article IV, Section 1 below, an annual meeting of the members shall be held in each year at the time and place specified in the Association Bylaws. At least ten (10) days prior to the date of an annual meeting, written notice of the time, place and purpose of such meeting shall be sent by first-class mail, postage prepaid, to each person entitled to vote at the meeting.

Section 4. Special Meetings of Members. It shall be the duty of the President to call a special meeting of the members upon a petition signed by one-third (1/3) of the co-owners, or upon the direction of a majority of the Board of Directors, and presented to the Secretary of the Association. Notice of any special meeting shall state the time and place of such meeting and the purposes thereof and shall be given at least ten (10) days prior to the date of such meeting. No business shall be transacted at a special meeting except as stated in the notice.

Section 5. Quorum of Members. Unless otherwise provided herein, the presence, in person or by proxy, of thirty-five percent (35%) in number of the members entitled to vote shall constitute a quorum of members. If a quorum shall not be present at any meeting, the members present may adjourn the meeting for not more than thirty (30) days.

ARTICLE IV **ADMINISTRATION**

Section 1. Board of Directors. The business, property and affairs of the Association shall be managed by a Board of Directors consisting of three (3) persons; provided, that until new directors are elected at the first meeting of members provided for in Article III, Section I, hereof, the Director(s) designated by the Incorporator, or their successors, appointed as provided in the Association Bylaws, shall serve. The entire Board of Directors shall be elected at the first meeting of the Association, each annual meeting of the Association and at any meeting of the Association called by the Board of Directors for the particular purpose of electing directors, in the following manner:

(a) No later than 120 days after conveyance of legal or equitable title to nonDeveloper co-owners of 25% of the units that may be created, at least one (1) director and not less than 25% of the Board of Directors of the Association of co-owners shall be elected by non-Developer co-owners,

(b) Not later than 120 days after conveyance of legal or equitable title to nonDeveloper co-owners of 50% of the units that may be created, not less than 33-1/3% of the Board of Directors shall be elected by nonDeveloper co-owners;

(c) Not later than 120 days after conveyance of legal or equitable title to nonDeveloper co-owners of 75% of the units that may be created, and before conveyance of 90% of such units, the nonDeveloper co-owners shall elect all directors on the Board, except that the Developer shall have the right to designate at least one (1) director as long as the Developer owns and offers for sale at least 10% of the units in the project or as long as 10% of the units remain that may be created;

(d) Notwithstanding the formula provided for above, 54 months after the first conveyance of legal or equitable title to a nonDeveloper co-owner of a unit in the project, if title to not less than 75% of the units that may be created has not been conveyed, the nonDeveloper co-owners have the right to elect as provided in the condominium documents, a number of members of the Board of Directors of the Association of co-owners equal to the percentage of units they hold, and the Developer has the right to elect as provided in the condominium documents, a number of members of the board equal to the percentage of units which are owned by the Developer and for which all assessments are payable by the Developer. This election may increase, but shall not reduce, the minimum election and designation rights otherwise established above. Application of this subsection does not require a change in the size of the board as determined in the condominium documents.

(e) If the calculation of the percentage of members of the Board that the nonDeveloper co-owners have the right to elect under subsections (a), (b), and (c) above, or if the product of the number of members of the board multiplied by the percentage of units held by the nonDeveloper co-owners under subsection (d) results in a right of nonDeveloper co-owners to elect a fractional number of members of the Board, then a fractional election right of 0.5 or greater shall be rounded up to the nearest whole number, which number shall be the number of members of the Board that the nonDeveloper co-owners have the right to elect. After application of this formula the Developer shall have right to elect the remaining members of the Board. Application of this subsection shall not eliminate the right of the Developer to designate one (1) member as provided in subsection (c) above

Section 2. Powers and Duties. The Board of Directors shall have all powers and duties necessary for the administration of the affairs of the Condominium and may do all things which are not prohibited by law or the Condominium Documents or required thereby to be done by the members. The powers and duties to be exercised by the Board shall include, but not be limited to, the power and duty:

- (a) To manage and administer the affairs of and to the Condominium, all appurtenances thereto, and the common elements, property and easements thereof;
- (b) To levy and collect assessments, including, but not limited to, taxes, insurance, common utilities, and maintenance of common area, against and from the members of the Association and to use the proceeds therefrom for the purposes of the Association, and to enforce assessments through liens and foreclosure proceedings where appropriate;
- (c) To carry insurance and to collect and allocate the proceeds thereof;
- (d) To restore, repair or rebuild the Condominium, or any portion thereof, after occurrence of casualty, and to negotiate on behalf of all of the members in connection with any taking of the Condominium, or any portion thereof, by eminent domain;
- (e) To contract for and employ, and to discharge, persons or business entities to assist in the management, operation, maintenance and administration of the Condominium;
- (f) To make reasonable rules and regulations governing the use and enjoyment of the Condominium by members and their tenants, guests, employees, invitees, families and pets and to enforce such rules and regulations by all legal methods, including, without limitation, imposing fines and late payment charges, or instituting eviction or legal proceedings;
- (g) To own, maintain and improve, and to buy, sell, convey, assign, transfer, mortgage or lease (as landlord or tenant), or otherwise deal in any real or personal property, including, but not limited to, any Condominium unit, easements, rights-of-way, licenses or any other real property, whether or not contiguous to the Condominium, to benefit the members of the Association and to further any of the purposes of the Association;
- (h) To borrow money and issue evidences of indebtedness in furtherance of any and all of the purposes of the business of the Association, and to secure the same by mortgage, pledge or other lien on Association property; provided, however, that any such action shall first be approved by the affirmative vote of more than two-thirds (2/3) of the Association members at a meeting of the members duly called;
- (i) To establish such committees as it deems necessary, convenient or desirable and to appoint persons thereto, to administer the Condominium and to delegate to such committees any functions or responsibilities which are not by law or the Condominium Documents required to be performed by the Board;
- (j) To make rules and regulations or to enter into agreements with institutional lenders, or both, for the purpose of obtaining mortgage financing for members which is acceptable for purchase by the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association, the Government National Mortgage Association or any other agency of the federal government, the State of Michigan, the County of Macomb, Shelby Township, or any other agency or unit of government;
- (k) To enforce the provisions of the Master Deed and Bylaws of the Condominium and of these Articles of Incorporation and such Bylaws, rules and regulations of this Association as may hereafter be adopted, and to sue on behalf of the Condominium or the members and to assert, defend or settle claims on behalf of the members with respect to the Condominium;
- (l) To do anything required of or permitted to it as administrator of said Condominium by the Condominium Master Deed or Bylaws or by Act No. 59 of the Public Acts of 1978, as amended by Act No. 538 of the Public Acts of 1982, and Act No. 113 of the Public Acts of 1983, and
- (m) In general, to enter into any kind of activity, to make and perform any contract and to exercise all powers necessary, incidental or convenient to the administration, management, maintenance, repair, replacement and operation of the Condominium and to the accomplishment of any of the purposes thereof not forbidden, and with all powers conferred upon non-profit corporations by the laws of the State of Michigan. Provided, however, that neither the Board nor the Association shall, by act or omission, abandon,

partition, subdivide, encumber, sell or transfer the common elements, or any of them, unless at least two-thirds (2/3) of the mortgagees (based upon one vote for each mortgage owned) and two-thirds (2/3) of the members have consented thereto. The granting of easements for public utilities or for other public purposes consistent with the intended use of the common elements by the Condominium, shall not be deemed a transfer for these purposes.

Section 3. Managing Agent. The Board of Directors may employ, at a compensation established by it, a Managing Agent for the Condominium to perform such duties and services as the Board shall authorize, including, but not limited to, the powers and duties set forth in Section 2 of this Article. Any Director, the Developer, or any related person or entity, may serve as Managing Agent if so appointed. If the Board employs a professional management agent for the Association, the Board shall notify each holder of a mortgage lien on any Condominium (or any successor thereto) and assuming self-management. In no event shall the Board be authorized to enter into a contract with a professional management agent, or a contract providing for services by the Developer or its affiliates, under which the maximum term is greater than three (3) years or which is not terminable by the Association upon the transitional control date or within ninety (90) days thereafter and upon thirty (30) days written notice for cause. Upon the transitional control date, or within ninety (90) days thereafter, the Board of Directors may terminate a service or management contract with the Developer or its affiliates. In addition, the Board of Directors may terminate any management contract which extends beyond one (1) year after the transitional control date by providing notice of termination to the management agent at least thirty (30) days before the expiration of the one (1) year.

Section 4. Officers. The Association Bylaws shall provide for the designation, number, terms of office, qualifications, manner of election, duties, removal and replacement of the officers of the Association and may contain any other provisions pertinent to Association officers not inconsistent herewith. Officers may be compensated, but only upon the prior affirmative vote of two-thirds (2/3) of the members

Section 5. Actions Prior to First Meeting. Subject to the provisions of Section 3 of this Article IV, all of the actions (including, without limitation, the adoption of these Bylaws, the Association Bylaws, any Rules and Regulations of the Association, and any undertakings or contracts entered into with others on behalf of the Association) of the Board of Directors of the Association named in its Articles of Incorporation, or their appointed successors, before the first meeting of members, shall be binding upon the Association in the same manner as though such actions had been authorized by a Board of Directors duly elected by the Association members at the first or any subsequent meeting of members, so long as such actions are within the scope of the powers and duties which any Board of Directors may exercise, as provided in the Condominium Documents.

Section 6. Indemnification of Officers and Directors. The Association shall indemnify every Association director and officer against all expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him as a consequence of his being made a party to or being threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of his being or having been a director or officer of the Association, except in such cases wherein he is adjudged guilty of willful and wanton misconduct or gross negligence in the performance of his duties or adjudged to have not acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Association and its members, and with respect to any criminal action or proceeding, he is adjudged to have had no reasonable cause to believe that his conduct was unlawful; provided that, if a director or officer claims reimbursement or indemnification hereunder based upon his settlement of a matter, he shall be indemnified only if the Board of Directors (with any director seeking reimbursement abstaining) approves such settlement and reimbursement as being in the best interests of the Association and, if a majority of the members request it, such approval is based on an opinion of independent counsel supporting the propriety of such indemnification and reimbursement. The foregoing right of indemnification shall be in addition to and not exclusive of all other rights such director or officer may have. The Board of Directors shall notify all members that it has approved an indemnification payment at least ten (10) days prior to making such payment

ARTICLE V

OPERATION OF THE PROPERTY

Section 1. Personal Property. The Association shall be assessed as the person or entity in possession for any tangible personal property of the Condominium owned or possessed in common by the co-owners, and personal property taxes based thereon shall be treated as expenses of administration.

Section 2. Costs and Receipts to Be Common. All costs incurred by the Association to satisfy any liability arising within, or caused by or in connection with the common elements, or caused by or in connection with the administration of the Condominium, shall be expenses of administration, and all sums received as proceeds of, or pursuant to, any insurance policy carried by the Association securing the interests of the members against liabilities or losses arising within, caused by or connected with, the common elements or the administration of the Condominium shall be receipts of administration.

Section 3. Books of Account. The Association shall keep or cause to be kept detailed books of account showing all expenditures and receipts affecting the Condominium and its administration of the Condominium and which specify the operating expenses of the Condominium. Such books of account shall specify the maintenance and repair expenses of the common elements and any other expenses incurred on behalf of the Association and members. The members and their mortgagees may inspect the books of account during reasonable working hours on normal working days at a place the Association designates. The books of account shall be audited at least annually by qualified independent auditors, but such audit need not be a certified audit nor must the auditors be certified public accountants. The cost of such audit, and all accounting expenses, shall be an expense of administration. Any institutional holder of a mortgage lien on any Condominium unit who so requests shall be given a copy of the audit report within ninety (90) days following the end of the Association's fiscal year. At least once a year, the Association shall prepare and distribute to each member a statement of its financial condition, the contents of which shall be defined by the Association.

Section 4. Regular Monthly Assessments. The Board of Directors shall establish an annual budget in advance for each fiscal year for the Condominium, and such budget shall contain the Board's estimate of the funds required to defray the expenses of administration for the forthcoming year, as those items are defined by these Bylaws, and all other common expenses. The budget also shall allocate and assess all such common charges against all members in accordance with the percentage of value allocated to each unit by the Master Deed, without increase or decrease for the existence of any rights to the use of limited common elements appurtenant thereto. The common expenses shall consist, among other things, of such amounts as the Board may deem proper for the operation, management and maintenance of the Condominium property under the powers and duties delegated to it hereunder, and may include, without limitation, amounts to be set aside for working capital of the Condominium, for a general operating fund, for a reserve fund and for meeting any deficit in the common expense budget for any prior year. The budget shall establish an adequate reserve fund for maintenance, repair and replacement of the general and limited common elements, which fund shall be financed by regular monthly payments rather than by special assessments. The Board shall advise each member in writing of the amount of common charges payable by him and shall furnish copies of each budget on which such common charges are based to all members, although failure to deliver a copy of the budget to each member shall not affect any member's liability for any existing or future assessments. Should the Board of Directors at any time determine, in its sole discretion, that the assessments levied are or may prove to be insufficient: (a) to pay the operation and management costs of the Condominium, (b) to provide for the maintenance, repair or replacement of existing common elements, (c) to provide additions to the common elements not exceeding \$5,000 annually, or (d) to provide for emergencies, the Board may increase the general assessments or levy such additional assessment or assessments, and apportion them, as it deems necessary. Members shall pay all assessments levied in accordance with this Section 4 in twelve (12) equal monthly installments, commencing with acquisition of title to a unit by any means.

Section 5. Special Assessments. Special assessments, in addition to those provided for in Section 4 above, may be levied by the Board of Directors from time to time, following approval by the members as hereinafter provided, to meet other needs, requirements or desires of the Association, including, but not limited to: (a) assessments for capital improvements or additions to the common elements at a cost exceeding \$5,000 per year; (b) assessments to purchase a unit upon foreclosure of a lien for assessments, as described in Section 6 hereof; or (c) assessments for any other appropriate purpose not elsewhere herein

described. Special assessments referred to in this Section 5 (but not including those assessments referred to in Section 4 above, which shall be levied in the sole discretion of the Board of Directors) shall not be levied without the prior approval of more than two-thirds (2/3) of all members in value, which approval shall be granted only by a vote of the members taken at a meeting of the members called in accordance with the provisions of Article III hereof.

Section 6. Collection of Assessments. Each member, whether one or more persons, shall be and shall remain personally obligated for the payment of all assessments levied with regard to his unit during the time that he is the owner thereof, and no member may exempt himself from liability for his contribution toward the expenses of administration by waiver of the use or enjoyment of any of the common elements or by the abandonment of his unit. If any member defaults in paying the assessed common charges, interest at the maximum legal rate shall be charged on such assessment from the due date thereof and further penalties or proceedings may be instituted by the Board of Directors in its discretion. Unpaid assessments shall constitute a lien upon the unit prior to all other liens except tax liens and sums unpaid on a first mortgage of record. The Association may enforce collection of delinquent assessments by a suit at law for a money judgment or by foreclosure of the lien that secures payment of assessments. Each member, and every other person, except a first mortgagee, who from time to time has any interest in the Condominium, shall be deemed to have granted to the Association the unqualified right to elect to foreclose such lien either by judicial action or by advertisement (in accordance with the provisions of Chapter 32 of the Michigan Revised Judicature Act, as amended). The provisions of Michigan law pertaining to foreclosure of mortgages by judicial action and by advertisement, as the same may be amended from time to time, are incorporated herein by reference for the purposes of establishing the alternative procedures to be followed in lien foreclosure actions and the rights and obligations of the parties to such actions. The Association is hereby granted what is commonly known as a "power of sale". Each member and every other person, except a first mortgagee, who from time to time has any interest in the Condominium shall be deemed to have authorized and empowered the Association to sell or to cause to be sold at public auction the unit with respect to which the assessment is delinquent and to receive, hold and distribute the proceeds of such sale in accordance with the priorities established by applicable law. Each member acknowledges that when he acquired title to his unit, he was notified of the provisions of this section and that he voluntarily, intelligently and knowingly waived notice of any proceedings brought by the Association to foreclose by advertisement the lien for nonpayment of assessments and a hearing on the same prior to the sale of the subject unit. Notwithstanding the foregoing, neither a judicial foreclosure action nor a suit at law for a money judgment shall be commenced, nor shall any notice of foreclosure by advertisement be published, until ten (10) days have expired after the mailing, by certified mail, return receipt requested and postage prepaid, addressed to the delinquent member at his last known address, of a written notice that an assessment, or any part thereof, levied against his unit is delinquent and that the Association may invoke any of its remedies hereunder if the default is not cured within ten (10) days after the date of mailing. A written affidavit of an authorized representative of the Association that sets forth (a) the affiant's capacity to make the affidavit, (b) the statutory and other authority for the lien, (c) the amount outstanding (exclusive of interest, costs, attorney fees and future assessments), (d) the legal description of the subject unit, and (e) the name of the member of record, shall accompany such written notice. Such affidavit shall be recorded in the Office of the Macomb County Register of Deeds prior to the commencement of any foreclosure proceeding, but it need not have been recorded as of the date of mailing the notice. If the delinquency is not cured within the ten (10) day period, the Association may take such remedial action as may be available to it hereunder or under Michigan law. In the event the Association elects to foreclose the lien by advertisement, the Association shall so notify the representative of the delinquent member designated in Article II, Section 3, above, and shall inform such representative that he may request a judicial hearing by bringing suit against the Association. The expenses incurred in collecting unpaid assessments, including interest, costs, reasonable attorney's fees (not limited to statutory fees) and advances for taxes or other liens paid by the Association to protect its lien, shall be chargeable to the member in default and shall be secured by the lien on his unit. If any member defaults in the payment of any installment of the annual assessment levied against his unit, the Association shall have the right to declare all unpaid installments of the annual assessment for the pertinent fiscal year immediately due and payable. In a judicial foreclosure action, the court may appoint a receiver to collect a reasonable rental for the unit from the member owning it or any persons claiming under him, and each member hereby covenants to the appointment of such a receiver. The Association may also stop furnishing any services to a member in default upon seven (7) days' written notice

to such member of its intent to do so. A member in default on the payment of any assessment shall not be entitled to vote at any meeting of the Association so long as such default continues.

If the holder of a first mortgage on a Condominium unit obtains title to the unit by foreclosing the mortgage, accepting a deed in lieu of foreclosure or similar remedy, or any other remedy provided in the mortgage, such person, and its successors and assigns, or other purchaser at a foreclosure sale shall not be liable for unpaid assessments chargeable to the unit which became due prior to the acquisition of title to the unit by such person; provided, however, that such unpaid assessments shall be deemed to be common expenses collectible from all of the members, including such person, its successors and assigns, and that all assessments chargeable to the unit subsequent to the acquisition of title shall be the responsibility of such person as hereinbefore provided with respect to all members. When a member is in arrearage to the Association for assessments, the Association may give written notice of arrearage to any person occupying his unit under a lease or rental agreement, and such person, after receiving the notice, shall deduct from rental payments due the member the arrearage and future assessments as they fall due and pay them to the Association. The deductions shall not be a breach of the rental agreement or lease by the occupant.

The Association may purchase a unit at any foreclosure sale hereunder.

Section 7. Obligations of the Developer. The Developer shall be responsible for payment of the full monthly Association maintenance assessment, and all special assessments, for all completed units owned by it and shall also maintain, at its own expense, any incomplete units owned by it. "Completed unit" shall mean a unit with respect to which a certificate of occupancy has been issued by the local public authority. An "incomplete unit" shall mean any unit that is not a completed unit.

Section 8. Maintenance and Repair. As provided in the Master Deed, the Association shall maintain and repair the general common elements including the Van Dyke Road frontage (including front entry wall), whether located inside or outside the units, and the limited common elements, to the extent set forth in the Master Deed. The costs thereof shall be charged to all the members as a common expense, unless necessitated by the negligence, misuse or neglect of a member, in which case such expense shall be charged to such member. The Association or its agent shall have access to each unit from time to time during reasonable working hours, upon notice to the occupant thereof, for the purpose of maintenance, repair or replacement of any of the common elements located therein or accessible therefrom. The Association or its agent shall also have access to each unit at all times without notice for making emergency repairs necessary to prevent damage to other units, the common elements, or both.

Each member shall provide the Association means of access to his unit and any limited common elements appurtenant thereto during all periods of absence, and if such member fails to provide means of access, the Association may gain access in such manner as may be reasonable under the circumstances and shall not be liable to such member for any necessary damage to his unit and any limited common elements appurtenant thereto caused thereby or for the repair or replacement of any doors or windows damaged in gaining such access, the costs of which damages shall be borne by such member. Unless otherwise provided herein or in the Master Deed, damage to a unit or its contents caused by the repair or maintenance activities of the Association, or by common elements, shall be repaired at the expense of the Association.

All other maintenance and repair obligations shall, as provided in the Master Deed, rest on the individual member. Each member shall maintain his unit and any limited common elements appurtenant thereto for which he has maintenance responsibility in a safe, clean and sanitary condition. Each member shall also use due care to avoid damaging any of the common elements including, but not limited to, the telephone, water, gas, plumbing, electrical or other utility conduits and systems and any other elements in any unit which are appurtenant to or which may affect any other unit. Each member shall be responsible for damages or costs to the Association resulting from negligent damage to or misuse of any of the common elements by him, his family, guests, agents or invitees, unless such damages or costs are actually reimbursed from insurance carried by the Association, in which case there shall be no such responsibility (if reimbursement to the Association is excluded by virtue of a deductible provision, the responsible member shall bear the expense to the extent of the deductible amount, anything else in these Bylaws to the contrary notwithstanding). Any costs or damages to the Association that are herein or elsewhere in the Condominium

Documents assigned to the individual member may be assessed to and collected from the responsible member in the manner provided for regular assessments in Article V, Section 4, hereof.

The provisions of this Section 8 shall be subject to those of Article VI, Sections 1-3, in the event of repair or replacement on account of a casualty loss.

Section 9. Taxes. Subsequent to the year in which the Condominium is established, all special assessments and property taxes shall be assessed against the individual units and not upon the total property of the Condominium or any part thereof. Taxes and special assessments which have become a lien against the property of the Condominium in the year of its establishment (as provided in Section 131 of the Act) shall be expenses of administration and shall be paid by the Association. Each unit shall be assessed a percentage of the total bill for such taxes and assessments equal to the percentage of value allocated to it in the Master Deed, and the members owning those units shall reimburse the Association for their unit's share of such bill within ten (10) days after they have been tendered a statement thereof.

Section 10. Documents to Be Kept. The Association shall keep current copies of the approved Master Deed, all amendments thereto, and all other Condominium Documents available for inspection at reasonable hours by members, prospective purchasers and prospective mortgagees of Condominium units.

Section 11. Reserve for Major Repairs and Replacement. The Association shall maintain a reserve fund for major repairs and replacement of common elements in an amount equal to at least ten percent (10%) of the Association's current annual budget on a noncumulative basis. Monies in the reserve fund shall be used only for major repairs and replacement of common elements. THE MINIMUM STANDARDS REQUIRED BY THIS SECTION MAY PROVE INADEQUATE FOR A PARTICULAR PROJECT. The Association of members should carefully analyze the Condominium Project to determine if a greater amount should be set aside, or if additional reserve funds should be established for other purposes.

Section 12. Statement of Unpaid Assessments. Pursuant to the provisions of the Act, the purchaser of any unit may request a statement from the Association as to the outstanding amount of any unpaid assessments thereon, whether regular or special. Upon written request to the Association accompanied by a copy of the executed purchase agreement pursuant to which the purchaser holds a right to acquire a unit, the Association shall provide a written statement of such unpaid assessments as to such unit or a statement that none exist, which statement shall be binding upon the Association for the period stated therein. Upon the payment of that sum within the period stated, the Association's lien for assessments as to such unit shall be deemed satisfied; provided, however, that the failure of a purchaser to request such statement at least five (5) days prior to the closing of the purchase of such unit shall render any unpaid assessments and the lien securing the same fully enforceable against such purchaser and the unit itself.

ARTICLE VI

INSURANCE, REPAIR OR REPLACEMENT; CONDEMNATION; CONSTRUCTION LIENS

Section 1. Insurance. The Association shall carry fire and extended coverage, vandalism, malicious mischief and liability insurance, workmen's compensation insurance, if applicable, and such other insurance coverage as the Board may determine to be appropriate with respect to the ownership, use and maintenance of the general and limited common elements of the Condominium and the administration of Condominium affairs. Such insurance shall be carried and administered in accordance with the following provisions:

(a) All such insurance shall be purchased by the Association for the benefit of the Association, the members and their mortgagees, as their interests may appear, and provision shall be made for the issuance of certificates of insurance with mortgagee endorsements to the mortgagees of members' units. It shall be each member's responsibility to obtain insurance coverage for his personal property located within his unit or elsewhere in the Condominium and for his personal liability for occurrences within his unit or upon limited common elements appurtenant to his unit, and also for alternative living expenses. The Association shall have absolutely no responsibility for obtaining such coverage. The Association and all members shall use their best efforts to see that all property and liability insurance carried by the Association or

any member shall contain appropriate provisions whereby the insurer waives its right of subrogation as to any claims against any member of the Association, and, subject to the provisions of Article V, Section 8, hereof, the Association and each member hereby waive, each as to the other, any right of recovery for losses covered by insurance. The liability of carriers issuing insurance obtained by the Association shall not, unless otherwise required by law, be affected or diminished on account of any additional insurance carried by any member, and vice versa.

(b) All common elements of the Condominium shall be insured against fire and other perils covered by a standard extended coverage endorsement in an amount equal to the maximum insurance replacement value, excluding foundation and excavation costs, as determined annually by the Board of Directors of the Association. Such coverage shall also include interior walls within any unit and the pipes, wires, conduits and ducts contained therein and shall further include all fixtures, equipment and trim within a unit which were furnished with the unit by the Developer (or such replacements thereof as do not exceed the cost of such original items). Any improvements a member makes within his unit shall be covered by insurance obtained by at his expense; provided that, if the Association elects to include such improvements under its insurance coverage, any additional premium cost to the Association attributable thereto shall be assessed to and borne solely by said member and collected as a part of the assessment levied against said member under Article V, Section 4, hereof.

(c) Public liability insurance shall be carried in such limits as the Board may from time to time determine to be appropriate, and shall cover the Association, each member, director and officer thereof, and any managing agent.

(d) All premiums upon insurance policies purchased by the Association pursuant to these Bylaws shall be expenses of administration, except as otherwise provided in subsection (b) above.

(e) Proceeds of all insurance policies owned by the Association shall be received by the Association, held in a separate account, and distributed to the Association, the members and their mortgagees as their interests may appear; provided, however, whenever Section 3 of this Article requires the repair or reconstruction of the Condominium, any insurance proceeds received by the Association as a result of any loss requiring repair or reconstruction shall be applied for such purpose. Hazard insurance proceeds shall never be used for any purpose other than for repair, replacement or reconstruction of the project unless all of the holders of mortgages on units, and all members, in the Condominium have given their prior written approval.

(f) All insurance carried by the Association shall, to the extent possible, provide for cross-coverage of claims by one insured against another.

Section 2. Appointment of Association. Each member, by ownership of a unit in the Condominium, shall be deemed to appoint the Association as his true and lawful attorney-in-fact to act in connection with all matters concerning insurance pertinent to the Condominium, his unit and the common elements appurtenant thereto. Without limitation on the generality of the foregoing, the Association as said attorney shall have full power and authority to purchase and maintain such insurance, to collect and remit premiums therefor, to collect proceeds and to distribute the same to the Association, the members and respective mortgagees, as their interests may appear (subject always to the Condominium Documents), to execute releases of liability and to execute all documents and to do all things on behalf of such members and the Condominium as shall be necessary or convenient to accomplish the foregoing.

Section 3. Reconstruction or Repair. If any part of the Condominium shall be damaged, the determination of whether or not, and how, it shall be reconstructed or repaired shall be made in the following manner:

(a) If a common element or a unit is damaged, such property shall be rebuilt or repaired if any Condominium unit is tenantable, unless the members unanimously vote that the Condominium shall be terminated and each holder of a mortgage lien on any Condominium unit has given its prior written approval of such termination.

(b) If the Condominium is so damaged that no unit is tenantable, and if each holder of a mortgage lien on any unit in the Condominium has given its prior written approval to the termination of the Condominium, the damaged property shall not be rebuilt and the Condominium shall be terminated, unless seventy-five percent (75%) or more of the members and in number agree to reconstruction by vote or in writing within ninety (90) days after the destruction.

(c) Any reconstruction or repair shall be performed substantially in accordance with the Master Deed and the plans and specifications for the Condominium to a condition as similar as possible to the condition existing prior to damage, unless the members and each holder of a mortgage lien on any Condominium unit shall unanimously decide otherwise.

(d) If the damage is only to a part of a unit which it is the responsibility of a member to maintain and repair, it shall be the responsibility of the member to repair such damage in accordance with subsection (e) hereof. In all other cases, the responsibility for reconstruction and repair shall be that of the Association. The Association promptly shall notify each holder of a mortgage lien on any of the Condominium units if any unit or any part of the common elements is substantially damaged or destroyed.

(e) Each member shall be responsible for the reconstruction and repair of the interior of his unit, including, but not limited to, floor coverings, wall coverings, window shades, draperies, interior walls (but not any common elements therein), interior trim, furniture, light fixtures and all appliances, whether free standing or built-in, and items deemed to be the responsibility of the individual member by Article V C of the Master Deed. If damage to interior walls within a unit or to pipes, wires, conduits, ducts or other common elements therein is covered by insurance held by the Association, then the reconstruction or repair thereof shall be the responsibility of the Association in accordance with subsection (f). If any other interior portion of a unit, or item therein, is covered by insurance held by the Association for the benefit of the member, the member shall be entitled to receive the proceeds of insurance relative thereto, and if there is a mortgagee endorsement, the proceeds shall be payable to the member and the mortgagee jointly, without any change to the obligations set forth in this subsection (e).

(f) The Association shall be responsible for the reconstruction and repair of the common elements, and for any incidental damage to a unit and the contents thereof caused by such common elements or to the reconstruction or repair thereof. Immediately after a casualty occurs causing damage to property for which the Association has the responsibility of maintenance, repair and reconstruction, the Association shall obtain reliable and detailed estimates of the cost to return the damaged property to a condition as good as that existing before the damage.

(g) Any insurance proceeds received, whether by the Association or a member, shall be used for reconstruction or repair when reconstruction or repair is required by these Bylaws. If the insurance proceeds are not sufficient to pay the estimated costs of reconstruction or repair required to be performed by the Association, or if at any time during such reconstruction or repair, or upon completion of such reconstruction or repair, the funds for the payment of the costs thereof are insufficient, assessments shall be made against all members for the cost of reconstruction or repair of the damaged property in sufficient amounts to provide funds to pay the estimated or actual cost of repair. Such assessments shall be levied in the same manner as the regular monthly assessments, as set forth in Article V, Section 4, hereof.

Section 4. Eminent Domain. The following provisions shall control upon any taking by eminent domain.

(a) The Association, acting through its Board of Directors, may negotiate on behalf of all members for any taking of common elements. Any negotiated settlement shall be subject to the approval of more than two-thirds (2/3) of the members in number and in value and shall thereupon be binding on all members.

(b) If an entire unit is taken by eminent domain, the award for such taking shall be paid to the Association for the benefit of the owner of such unit and the mortgagee thereof, as their interests may appear. After acceptance of such award by the member and his mortgagee, they shall be divested of all

interest in the Condominium. The undivided interest in the common elements belonging to the member whose unit has been taken shall thereafter appertain to the remaining units, including those restored or reconstructed under the provisions of this Section.

(c) If any condemnation award shall become payable to any member whose unit is not wholly taken by eminent domain, then such award shall be paid by the condemning authority to the Association on behalf of such member and his mortgagee, as their interests may appear. If only a part of any unit is taken, the Association shall, if practical, use the award to rebuild the same to the extent necessary to make it habitable and remit the balance of the condemnation proceeds attributable to such unit to the owner and mortgagee thereof, as their interests may appear.

(d) If any portion of the Condominium other than any unit is taken, the condemnation proceeds relative to such taking shall be paid to the Association and the affirmative vote of more than fifty percent (50%) of the members in number and in value at a meeting duly called shall determine whether to rebuild, repair or replace the portion so taken or to take such other action as they deem appropriate. If no such affirmative vote is obtained, such condemnation proceeds shall be remitted to the members and their respective mortgagees, as their interests may appear, in accordance with their respective percentages of value set forth in Article VI of the Master Deed.

(e) If the Condominium Project continues after a taking by eminent domain, then the remaining portion of the Condominium Project shall be re-surveyed and the Master Deed amended accordingly, and, if any unit shall have been taken, then Article VI of the Master Deed shall be amended to reflect such taking and to proportionately readjust the percentages of value of the remaining members based upon a continuing value for the Condominium of one hundred percent (100%). Such amendment may be effected by an officer of the Association duly authorized by the Board of Directors without the necessity of execution or specific approval thereof by any members, but only with the prior written approval of all holders of mortgage liens on individual units in the project

(f) If any Condominium unit, or any portion thereof, or the common elements or any portion thereof, is made the subject matter of any condemnation or eminent domain proceeding or is otherwise sought to be acquired by a condemning authority, the Association promptly shall so notify each holder of a mortgage lien on any of the Condominium units.

(g) If the taking of a portion of a Condominium unit makes it impractical to rebuild the partially taken unit to make it habitable, then the entire undivided interest in the common elements appertaining to that Condominium unit shall thenceforth appertain to the remaining Condominium units, and shall be allocated to them in proportion to their respective undivided interests in the common elements. The remaining portion of that Condominium unit shall thenceforth be a common element.

(h) Votes in the Association of members and liability for future expenses of administration appertaining to a Condominium unit taken or partially taken (as provided in subsection (g) hereof) by eminent domain shall thenceforth appertain to the remaining Condominium units, and shall be allocated to them in proportion to their relative voting strength by value in the Association.

Section 5. Construction Liens. The following provisions shall control the circumstances under which construction liens may be applied against the Condominium or any unit thereof:

(a) Except as provided below, a construction lien for work performed on a Condominium unit or upon a limited common element may attach only to the unit upon or for the benefit of which the work was performed.

(b) A construction lien for work authorized by the Developer and performed upon the common elements may attach only to units owned by the Developer at the time of recording of the claim of lien.

(c) A construction lien for work authorized by the Association may attach to each unit only to the proportional extent that the member owning the unit is required to contribute to the expenses of administration as provided by the Condominium Documents.

(d) A construction lien may not arise or attach to a unit for work performed on the common elements not contracted for by the Developer or the Association.

If a member is advised or otherwise learns of a purported construction lien contrary to the foregoing, he shall immediately notify the Board of Directors. Upon learning of the purported construction lien, the Board shall take appropriate measures to remove any cloud on the title of units improperly affected thereby.

Section 6. Notice to FHLMC. If any mortgage in the Condominium is held by the Federal Home Loan Mortgage Corporation ("FHLMC"), then the Association shall give FHLMC written notice at such address as it may, from time to time, direct of any loss to or taking of the common elements of the Condominium, if the loss or taking exceeds Ten Thousand Dollars (\$10,000.00) in amount.

Section 7. Mortgagees. Nothing contained in the Condominium Documents shall be construed to give a Condominium unit owner, or any other party, priority over any rights of mortgagees of Condominium units pursuant to their mortgages in the case of a distribution to Condominium unit owners of insurance proceeds or condemnation awards for losses to or a taking of Condominium units, common elements or both.

ARTICLE VII

USE AND OCCUPANCY RESTRICTIONS: ENFORCEMENT

Section 1. Establishment of Restrictions. In order to provide for congenial occupancy of the Condominium, and for the protection of the value of the units, the use of Condominium property shall be subject to the following limitations.

(a) No condominium unit shall be used for other than single family residential purposes (except that persons not of the same immediate family residing together may occupy a unit with the written consent of the Board of Directors, which consent shall not be unreasonably withheld) and the common elements shall be used only for purposes consistent with the use of single family residences. A family shall mean one person or a group of two or more persons related by bonds of consanguinity, marriage or legal adoption.

(b) No member shall alter the exterior appearance or structurally modify his unit (including interior walls through or in which there exist easements for support or utilities) or change any of the limited or general common elements from the way it or they were originally constructed by the Developer, including, without limitation, painting the exterior or erecting antenna, lights, aerials, awnings, doors, shutters or other exterior attachments or modifications, nor shall any member damage, modify or make attachments to common element walls between units, which alterations in any way impair the sound-conditioning properties thereof, without the unanimous written approval of the Board of Directors. The Board of Directors, in its sole discretion, may disapprove any such request. However, it may only approve such alterations as do not impair the structural soundness, safety, utility, integrity or appearance of the Condominium. The Board of Directors may appoint an Architectural Control Committee and may delegate to it responsibility for establishing rules relating to the appearance of units and common areas, and the approval of the construction, maintenance and repair thereof. Even after approval, a member shall be responsible for all damages to any other units and their contents or to the common elements, resulting from any such alteration.

(c) No immoral, improper, unlawful or offensive activity shall be carried on in any unit or upon the limited or general common elements, nor shall anything be done which may be or become an annoyance or a nuisance to the members, nor shall any unreasonably noisy activity be carried on in any unit or on the common elements. No member owning any residential unit shall do or permit anything to be done or keep or permit to be kept in his unit or on the common elements anything that will increase the insurance rate on the Condominium without the written approval of the Association. Each member who is the cause thereof shall pay to the Association the increased cost of insurance premiums resulting from any such activity or the maintenance of any such condition.

(d) Neither the limited nor the general common elements shall be used to store supplies, materials, personal property, trash or refuse of any kind, except as provided in duly adopted Association rules and regulations. Trash receptacles shall be maintained in areas designated therefor at all times and shall not be permitted elsewhere on the common elements except for such short periods of time as may be reasonably necessary to permit the periodic collection of trash in accordance with the contract for trash collection to be maintained by the Association. The common elements shall not be used in any way for the drying, shaking or airing of clothing or other fabrics. Automobiles may only be washed in areas approved by the Association. In general, no activity shall be carried on nor condition maintained by a member, either in his unit or upon the common elements, which spoils the appearance of the Condominium.

(e) Sidewalks, yards, landscaped areas, driveways, roads, parking areas, halls, stairs and, in general, all of the general common elements, shall not be obstructed in any way nor shall they be used for purposes other than those for which they are reasonably and obviously intended. No bicycles, vehicles, chairs or benches may be left unattended on or about the common elements. Use of any recreational facilities in the Condominium may be limited to such times and in such manner as the Association shall determine by duly adopted regulations.

(f) No member shall use, or permit any occupant, agent, employee, invitee, guest or member of his family to use, any firearms, air rifles, pellet guns, BB guns, bows and arrows or other similar dangerous weapons, projectiles or devices anywhere on or about the Condominium Premises.

(g) No signs or other advertising devices shall be displayed which are visible from the exterior of a residential unit or on the common elements, including "For Sale" and "For Rent" signs, without written permission from the Association.

(h) In order to maintain a consistent exterior appearance at the Condominium, no member shall use or permit the use of any drape, drape liner or window covering on the exterior side of any window in the Condominium that is other than a light, solid color.

(i) No animal shall be kept except common indoor household pets. Such pets may not be kept or bred for any commercial purpose and shall have such care and restraint so as not to be obnoxious or offensive on account of noise, odor or unsanitary conditions. No savage or dangerous animal shall be kept. No more than two such household pets may be kept in any unit without written permission of the Board of Directors. No such pets may be permitted to run loose upon the common elements, limited or general. The Association may charge all co-owners maintaining animals a reasonable additional assessment to be collected in the manner provided in Article V, Section 4, of these Bylaws if the Association determines such assessment necessary to defray the maintenance cost to the Association of accommodating animals within the Condominium. The Association may, without liability to the owner thereof, remove or cause to be removed, any animal from the Condominium which it determines to be in violation of the restrictions imposed by the Section. The Association shall have the right to require that any pets be registered with it and may adopt such additional reasonable rules and regulations with respect to animals as it may deem proper. Any person who causes an animal to be brought or kept in the Condominium shall indemnify and hold harmless the Association for any damage, loss or liability which might accrue to the Association as a result of the presence of such animal in the Condominium, regardless of whether the animal's presence is permitted.

(j) No house trailers, commercial vehicles, boat trailers, boats, camping vehicles, camping trailers, snowmobiles, snowmobile trailers or vehicles other than automobiles or light trucks may be parked or stored upon the premises of the Condominium, unless parked in an area specifically designated therefor by the Association. Commercial vehicles and trucks shall not be parked in or about the Condominium (except as above provided) unless while making deliveries or pickups in the normal course of business. The Association may allocate or assign parking spaces from time to time on an equitable basis. Campers and similar vehicles may not be kept at the Condominium for a period exceeding twenty-four (24) hours except with the express written approval of the Board of Directors or its designee. Each co-owner shall park his vehicle in the garage or carport provided therefor, and co-owners shall, if the Association shall require, register all vehicles maintained in the Condominium with the Association.

(k) Reasonable regulations consistent with the Act, the Master Deed and these Bylaws, concerning the use of the common elements may be made and amended from time to time by any Board of Directors of the Association, including the Board of Directors established in the Articles of Incorporation (and its successors). Copies of all such regulations and amendments thereto shall be furnished to all members and shall become effective ten (10) days after mailing or delivery thereof to the designated voting representative of each member. Any such regulation or amendment may be revoked at any time by the affirmative vote of more than fifty percent (50%) of all members in number and in value at any duly convened meeting of the Association, except that the members may not revoke any regulation or amendment prior to the first meeting of the Association.

(l) No member shall perform any landscaping or plant any trees, shrubs or flowers or place any ornamental materials upon the common elements without the express written approval of the Board of Directors.

(m) Any nonassigned parking areas shall be reserved for the general use of the members and their guests.

(n) No unsightly condition shall be maintained upon any balconies, porches or decks and only furniture and equipment consistent with ordinary balcony, porch or deck use shall be permitted to remain there during seasons when such areas are reasonably in use, and no furniture or equipment of any kind shall be stored in such areas during seasons when they are not reasonably in use

(o) None of the restrictions contained in this Article VII shall apply to the commercial activities or signs or billboards, if any, of the Developer during the development and sales period as defined hereinafter, or of the Association in furtherance of its powers and purposes set forth herein and in its Articles of Incorporation and Bylaws as the same may be amended from time to time. For the purposes of this subsection, the development and sales period shall be deemed to continue so long as Developer owns any unit which he offers for sale or so long as any additional unit may be created in the Condominium. The failure of the Association to enforce any right, provision, covenant or condition which may be granted by the Act, the Master Deed, these Bylaws, the Articles of Incorporation, Bylaws or Rules and Regulations of the Association, shall not constitute a waiver of the right of the Association to enforce such right, provision, covenant or condition in the future

ARTICLE XV **CONFLICTING PROVISIONS**

In the event of any conflict between the provisions of any one or more Condominium Documents, the following order of priority shall prevail and the provisions of the Condominium Document having the highest priority shall govern:

- (1) The Master Deed, including the Condominium Subdivision Plan;
- (2) These Condominium Bylaws;
- (3) The Articles of Incorporation of the Association;
- (4) The Bylaws of the Association; and
- (5) The Rules and Regulations of the Association.

ARTICLE XVI **JUDICIAL ACTIONS AND CLAIMS**

Actions on behalf of and against the Members shall be brought in the name of the Association. Subject to the express limitations on actions in these By-Laws and in the Association's Articles of Incorporation, the Association may assert, defend or settle claims on behalf of all Members in connection with the Common Elements of the Condominium Project. Any actions brought or defended in arbitration under Article XIV or these By-Laws shall be subject to the same restrictions that follow as to lawsuits. As provided in the Articles of Incorporation of the Association, the commencement of any action (other than one to enforce these By-Laws or collect delinquent assessments) shall require the approval of a majority of the Members, and shall be governed by the requirements of this Article. The requirements of this Article will ensure that the Members are fully informed regarding the prospects and likely costs of any action the Association proposes to

engage in, as well as the ongoing status of any actions actually filed by the Association or being defended against by the Association. These requirements are imposed in order to reduce both the cost of litigation and the risk of improvident litigation, and in order to avoid the waste of the Association's assets in litigation where reasonable and prudent alternatives to the litigation exist. Each Members shall have standing to sue to enforce the requirements of this Article. The following procedures and requirements apply to the Association's commencement of any action other than an action to enforce these By-Laws or to collect delinquent assessments. In any action which seeks damages in excess of One Thousand (\$1,000.00) Dollars for the Association and in which the Association intends to spend or does spend in excess of One Thousand (\$1,000.00) Dollars on attorney fees, costs or settlement, or any combination thereof, the Association shall comply with the following procedures and requirements.

Section 1. The Association's Board of Directors shall be responsible in the first instance for recommending to the Members that an action be filed, and supervising and directing any actions or defenses that are filed.

Section 2. Before an attorney is engaged for purposes of filing or defending any action on behalf of the Association, the Board of Directors shall call a special meeting of the Members ("litigation evaluation meeting") for the express purposes of evaluating the merits of the proposed action. In the event that the Association needs to retain an attorney to file a timely answer or response to any action before there is time to call a litigation evaluation meeting, that retaining shall be conditioned on approval of the Members at the meeting as outlined above. The written notice to the Members of the date, time and place of the litigation evaluation meeting shall be sent to all Members not less than twenty (20) days before the date of the meeting and shall include the following information.

(a) A certified resolution of the Board of Directors setting forth in detail the concerns of the Board of Directors giving rise to the need to file the suit or defense and further certifying that:

- (1) it is in the best interests of the Association to file a lawsuit or defend against it;
- (2) that at least one member of the Board of Directors has personally made a good faith effort to negotiate a settlement on behalf of the Association, without success;
- (3) litigation is the only prudent, feasible and reasonable alternative, and
- (4) the Board of Directors' proposed attorney for the proceeding is of the written opinion that litigation is the Association's most reasonable and prudent alternative.

(b) A written summary of the relevant experience of the attorney ("litigation attorney") the Board of Directors recommends be retained to represent the Association in the proposed litigation, including the following information:

- (1) the number of years the litigation attorney has practiced law, and
- (2) the name and address of every condominium and homeowner association for which the attorney has filed or defended an action in any court, together with the case number, county and court in which each action was filed, and the results of such litigation, the amount of fees charged and the amounts recovered;
- (3) the number of cases tried to a judge or jury and the case numbers of those cases.

(c) The litigation attorney's written estimate of the amount of the Association's likely recovery in the proposed lawsuit, net of legal fees, court costs, expert witness fees, possible counterclaims, including claims from directors for indemnification, and all other expenses expected to be incurred in the litigation; or in the case of defense, the litigation attorney's written estimate of the likely outcome.

(d) The litigation attorney's written estimate of the cost of the action through a trial on the merits of the case ("total estimated cost"). The total estimated cost of the action shall include the litigation attorney's expected fees, court costs, expert witness fees, and all other expenses expected to be incurred in the action.

(e) The litigation attorney's written estimate of the collectability of the various defendant or defendants.

(f) The litigation attorney's disclosure of any relationships and fee arrangements it has with proposed expert witnesses

(g) The litigation attorney's proposed written fee agreement.

(h) The amount to be specially assessed against each Site in the Project to fund the estimated cost of the action both in total and on a monthly per Site basis, as required by Section 6 of this Article

Section 3. If the lawsuit relates to the condition of any of the Common Elements, the Board of Directors shall obtain a written independent expert opinion as to reasonable and practical alternative approaches to repairing the problems with the Common Elements, which shall set forth the estimated costs and expected viability of each alternative. In obtaining the independent expert opinion required by the preceding sentence, the Board of Directors shall conduct its own investigation as to the qualifications of any expert and shall not retain any expert recommended by the litigation attorney or any other attorney with whom the Board of Directors consults. The purpose of the independent expert opinion is to avoid any potential confusion regarding the condition of the Common Elements that might be created by a report prepared as an instrument of advocacy for use in any proceeding. The independent expert opinion will ensure that the Members have a realistic appraisal of the condition of the Common Elements, the likely cost of repairs to the replacement of the same, and the reasonable and prudent repair and replacement alternatives. The independent expert opinion shall be sent to all Members with the written notice of the litigation evaluation meeting.

Section 4. The Association shall have a written fee agreement with the litigation attorney, and any other attorney retained to handle the legal proceedings. The Association shall not enter into any fee agreement that is a combination of the retained attorney's hourly rate and contingent fee arrangement unless the existence of the agreement is disclosed to the Members in the text of the Association's written notice to the Members of the litigation evaluation meeting.

Section 5. At the litigation evaluation meeting the Members shall vote on whether to authorize the Board of Directors to proceed with the proposed action or defense and whether the matter should be handled by the litigation attorney. The commencement of any action by the association (other than a suit to enforce these By-Laws or collect delinquent assessments), or the retaining of an attorney to defend a claim in excess of One Thousand (\$1,000.00) Dollars or which is reasonably expected to result in expenses in excess of One Thousand (\$1,000.00) Dollars, shall require the approval of two-thirds of the Members. Any proxies to be voted at the litigation evaluation meeting must be signed at least seven (7) days prior to the litigation evaluation meeting.

Section 6. All legal fees incurred in pursuit of any action or in defense against any actions that is subject to Section 1 through 10 of this Article shall be paid by special assessment of the Members ("litigation special assessment"). The litigation special assessment shall be approved at the litigation evaluation meeting (or at any subsequent duly called and noticed meeting) by a majority of all Members for the amount of the estimated total cost of the action. If the litigation attorney proposed by the Board of Directors is not retained, the litigation special assessment shall be in an amount equal to the estimated total cost of the action, as estimated by the attorney actually retained by the Association. The litigation special assessment shall be apportioned to the Members in accordance with their respective percentage of the value interests in the Condominium Project and shall be collected from the Members on a monthly basis. The total amount of the litigation special assessment shall be collected over a period not to exceed twenty-four (24) months.

Section 7. During the course of any action authorized by the Members pursuant to this Article, the retained attorney shall submit a written report ("attorney's written report") to the Board of Directors every thirty (30) days setting forth.

(a) The attorney's fee, the fees of any experts retained by the attorney, and all other costs of the litigation during the thirty (30) days period immediately preceding the date of the attorney's written report ("reporting period").

(b) All actions taken in the action during the reporting period, together with copies of all pleadings, court papers and correspondence filed with the court or sent to opposing counsel during the reporting period.

(c) A detailed description of all discussions with opposing counsel during the reporting period, written and oral, including but not limited to, settlement discussions.

(d) The costs incurred in the action through the date of the written report, as compared to the attorney's estimated total cost of the action.

(e) Whether the originally estimated total cost of the action remains accurate

Section 8. The Board of Directors shall meet monthly during the course of any proceeding to discuss and review:

(a) the status of the litigation,

(b) the status of settlement efforts, if any; and

(c) the attorney's written report.

Section 9. If at any time during the course of a proceeding, the Board of Directors determines that the originally estimated total cost of the proceeding or any revisions thereof is inaccurate, the Board of Directors shall immediately prepare a revised estimate of the total cost. If the revised estimate exceeds the litigation special assessment previously approved by the Members, the Board of Directors shall call a special meeting of the Members to review the status of the litigation, and to allow the Members to vote on whether or not to continue the action and increase the litigation special assessment. The meeting shall have the same quorum and voting requirements as a litigation evaluation meeting.

Section 10. The attorneys' fees, court costs, expert witness fees and all other expenses of any legal proceeding ("litigation expenses") shall be fully disclosed to Members in the Association's annual budget. The litigation expenses for each action subject to this Article shall be listed as a separate line item captioned "litigation expenses" in the Association's annual budget.

(h) Standard for Developer's Approvals; Exculpation from Liability. In reviewing and passing upon the plans, drawings, specifications, submissions and other matters to be approved or waived by the Developer under this Section, the Developer intends to ensure that the dwellings and other features embodied or reflected therein meet the requirements set forth in this Section, however, the Developer reserves the right to waive or modify such restrictions or requirements pursuant to this Section. In addition to ensuring that all dwellings comply with the requirements and restrictions of this Section, the Developer (or the Association, to the extent approval powers are assigned to it by the Developer) shall have the right to base its approval or disapproval of any plans, designs, specifications, submissions or other matters on such other factors, including completely aesthetic considerations, as the Developer (or the Association) in its sole discretion may determine appropriate or pertinent. The Developer currently intends to take into account the preservation of trees and of the natural setting of the Condominium in passing upon plans, designs, drawings, specifications and other submissions. Except as otherwise expressly provided herein, the Developer or the Association, as the case may be, shall be deemed to have the broadest discretion in determining what dwellings or other structures will enhance the aesthetic beauty and desirability of the Condominium, or otherwise further or be consistent with the purposes for any restrictions. In no event shall either the Developer (or the agents, officers, employees or consultants thereof), or the Association have any liability whatsoever to anyone for any act or omission contemplated herein, including without limitation the approval or disapproval of plans, drawings, specifications, elevations of the dwellings or other structures subject thereto, whether such alleged liability is based on negligence, tort, express or implied contract, fiduciary duty or otherwise. By way of example, neither the Developer nor member of the Association shall have liability to anyone for approval of plans, specifications, structures or the like which are not in conformity with the provisions of this Section or any other provision contained in the Condominium Documents, or for disapproving plans, specifications, structures or the like which arguably are in conformity with the provisions hereof. In no event shall any party have the right to impose liability on, or otherwise contest judicially, the Developer or any other person for any decision of the Developer (or alleged failure of the Developer to make a decision) relative to the approval or disapproval of a structure

or any aspect or other matter as to which the Developer reserves the right to approve or waive under this Master Deed. The approval of the Developer (or the Association, as the case may be) of a building, structure, improvement or other matter shall not be construed as a representative or warranty that the structure or matter is properly designed or that it is conformity with the ordinances or other requirements of the Township of Shelby or any other governmental authority. Any obligation or duty to ascertain any such non-conformities, or to advise the Owner or any other person of the same (even if known), is hereby disclaimed.

(i) Developer's Right to Waive or Amend Restrictions. Notwithstanding anything herein to the contrary, the Developer reserves the right to approve any structure or activities otherwise prescribed or prohibited hereunder, or to waive any restriction or requirement provided for in this Section, if in the Developer's sole discretion such is appropriate in order to maintain the atmosphere, architectural harmony, appearance and value of the Condominium and the Units therein, or to relieve the Owner of a Unit or a contractor from any undue hardship or expense. In no event, however, shall the Developer be deemed to have waived or be estopped from asserting its right to require strict and full compliance with all the restrictions set forth herein, unless the Developer indicates its intent and agreement to do so in writing and, in the case of an approval of nonconforming structures, the requirements of paragraph (a) of this Section are met.

(j) Aesthetics. The Common Elements shall not be used for storage of supplies, materials, personal property or trash or refuse of any kind, except as provided in duly adopted rules and regulations of the Association. No exterior radio, television aerial, antenna, satellite dish or other reception or transmission device shall be constructed, altered or maintained on any Unit without the prior written consent of Developer, which the Developer may withhold in its sole discretion. Satellite dishes shall be 18 inches in diameter or less and attached to the sides or rear of the dwelling.

IN WITNESS WHEREOF, the undersigned being the Developer, hereby adopts the foregoing Addendum to the Condominium Bylaws this 16th day of April, 2009.
