Third Annual Easter Egg Hunt

The third annual Easter Egg Hunt will take place on Sunday, March 28, 2010, at 2:00 p.m. in a new area due to the seeding of the common area. The hunt will be in the SW corner, behind the homes in the common area. There will be signs to help direct where to go.

The children will be divided into age appropriate groups. Each group will get their own chance to gather approximately 10 eggs each. Each child should be accompanied by an adult and bring their own Easter basket to collect their eggs. Parents, make sure to bring your cameras because the Easter Bunny will be making a special appearance.

If you would like to volunteer your time, please send an email to meadowsofcentralpark@yahoo.com. Thanks and we hope to see you there!
